

CHILDREN'S CHOIR

CHOIR YEAR: 2010 - 2011

Dear Parents/Guardians and Students:

We are getting ready to begin another exciting year with our children's choir programming at All Souls Church and School. Our first rehearsal will be on **Wednesday, September 29th**. All children in **grades 2 through 8** are invited to participate in the choir.

Children should meet Mr. David (McGhee) at the flagpole in the All Souls school courtyard after school. After a brief break allowing students to use the restroom, he will escort them to the Historic Chapel for rehearsal. Students attending from home schooling or the public schools should be brought directly to the courtyard or chapel. The session will last from **2:30 - 3:30 PM**. Children **must** be picked up in the courtyard area of the Chapel, and any remaining All Souls School students will be walked to Extended Care where they can be picked up.

The choir will sing at a weekend Church Mass once a month, and School Mass once a month. Once children reach the fourth grade, they are eligible to work toward being cantors. As soon as the children's choir programming has enough numbers on both ends of the grade spectrum, we will have divisions of the grades for choirs with appropriate age groupings.

Throughout the year, information about the Children's Choir is available through the music website. Additionally, there is a link to the music ministry on the main Church website.
